

Delaware Valley Rhododendron Society

# Cut-Flower Competition Catalogue of Previous Entries

*Saturday, May 11, 2024*

*Jenkins Arboretum*

*631 Berwyn-Baptist Road, Devon, Pa. 19333*

*Deadline for entries: 9:30 a.m. sharp*

This list includes rhododendron and azalea entries in the Greater Philadelphia, Valley Forge and Delaware Valley Chapter competitions, 1980-2023, and is intended to aid in completing entry tags. The first two sections list species and named rhododendron and azalea hybrids (registered or not). The last section lists unnamed hybrids, with an explanatory rubric.

This catalogue supersedes all prior catalogues for both the Greater Philadelphia and Valley Forge Chapter competitions. As a result of the merging of the lists, a number of cultivars are marked with an asterisk and their proper class and section will be determined on site by the Classification Committee.

The Classification Committee reserves the right to divide sections or reclassify entries. When entering unnamed hybrids in Classes 2, 3, 5 and 6, kindly consult the Classification Committee and the rules.

Any rhododendron or azalea, whether listed here or not, may be entered if rules are met, including plants whose name is lost or unknown.

Rhododendrons – Pages 2 – 8

Azaleas – Pages 9 – 14

Unnamed crosses – Pages 15 – 18

*If printing for individual use, save paper by omitting unnamed crosses.*

## UNNAMED HYBRIDS

The following unnamed hybrids, having been previously exhibited, must be entered in Class 2, 3, 5 or 6. A new cross of the same parentage may be entered in the new hybrids class if the exhibitor can demonstrate that it is a different clone. Decision to place an entry is solely at the discretion of the Classification Committee and Show Chairs. (Send updates to Michael Mills, mmm19119@gmail.com.)

If an asterisk (\*) appears instead of a classification number, the correct section will be determined by the Classification Committee
